Cats are one of the most popular pets in the world, and for good reason. They're affectionate, playful, and can be a great source of companionship. But if you're new to cat ownership, you may be wondering what you need to know to take care of your new furry friend.

That's where Cats For Dummies comes in. This comprehensive guide covers everything you need to know about cats, from their basic needs to their health and behavior. Whether you're a first-time cat owner or you've had cats for years, you'll find helpful information in this book.

## What You'll Learn in Cats For Dummies

- How to choose the right cat for your lifestyle
- What to feed your cat and how much
- How to groom your cat

- How to litter box train your cat
- How to keep your cat safe and healthy
- How to deal with common cat behavior problems

## **Why You Need Cats For Dummies**

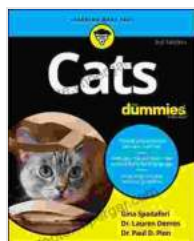

If you're a cat owner, you need Cats For Dummies. This book will help you understand your cat better and provide the best possible care for your furry friend. With Cats For Dummies, you'll be able to:

- Make informed decisions about your cat's care
- Avoid common mistakes that can harm your cat
- Solve cat behavior problems
- Create a happy, healthy home for your cat
