This cookbook combines the ancient wisdom of tarot with the art of cooking to create delicious, magickal meals. With over 100 recipes, this book will teach you how to use tarot to choose ingredients, create dishes that correspond to your astrological sign, and even cast spells while you cook.

What is Magickal Cooking?

Magickal cooking is the art of using food to create positive change in your life. By choosing ingredients that correspond to your intentions, you can create dishes that will help you manifest your goals. For example, if you want to attract more love into your life, you might create a dish that includes ingredients like rose petals, strawberries, and chocolate.

How to Use Tarot in the Kitchen

Tarot is a powerful tool that can be used for self-discovery, divination, and magick. By learning to interpret the cards, you can gain insights into your own life and the world around you. You can also use tarot to choose ingredients, create dishes, and cast spells.

To use tarot in the kitchen, start by choosing a deck that resonates with you. There are many different decks available, so take your time and find one that you feel drawn to. Once you have a deck, you can begin to explore the cards and their meanings.

Once you are familiar with the cards, you can start to use them to choose ingredients and create dishes. To do this, simply shuffle the deck and then draw a card. The card you draw will represent the ingredients or dish that you should use. For example, if you draw the card "The Sun," you might create a dish that includes ingredients like sunflowers, oranges, and lemons.

Magickal Recipes

This cookbook includes over 100 magickal recipes that can help you manifest your goals. Each recipe is designed to correspond to a specific intention, such as love, money, or health. You can find recipes for everything from simple salads to elaborate desserts.

Here are a few of the recipes that you will find in this book:

- Love Potion Smoothie
- Money Magnet Soup
- Healing Heart Salad

- Prosperity Pie
- Magickal Moon Milk

Casting Spells While You Cook

In addition to using tarot to choose ingredients and create dishes, you can also cast spells while you cook. By focusing your intention on the food, you can imbue it with magickal energy. This energy will then be transferred to anyone who eats the food.

Here is a simple spell that you can cast while you cook:

1. As you cook, focus on your intention for the meal. What do you want to achieve by eating this food?
2. Visualize your intention coming to life as you cook. See yourself surrounded by love, abundance, or whatever you are wishing for.
3. Once the food is cooked, take a moment to bless it with your intention. You can do this by saying a prayer, singing a song, or simply holding the food in your hands and focusing on your intention.

Cooking is a powerful way to manifest your goals and create positive change in your life. By using tarot to choose ingredients, create dishes, and cast spells, you can create magickal meals that will nourish your body and soul.
