

# Fathers of Disabled Children: Stories of Love, Loss, and Triumph

There are more than 10 million children in the United States with disabilities. For the fathers of these children, the journey of parenting can be filled with unique challenges and rewards.

In *Different Dads: Fathers' Stories of Parenting Disabled Children*, 14 fathers share their personal experiences of raising children with disabilities. These stories are honest, moving, and often humorous, and they offer a glimpse into the joys and challenges of parenting a child with special needs.

The fathers in this book come from all walks of life. Some are single parents, while others are married with children. Some have children with physical disabilities, while others have children with intellectual or

developmental disabilities. Despite their differences, these fathers share a common bond: the love for their children.

The stories in this book are as diverse as the fathers who tell them. Some fathers write about the challenges of raising a child with a disability. They share their experiences of dealing with medical appointments, therapy sessions, and the day-to-day challenges of caring for a child with special needs.

Other fathers write about the joys of raising a child with a disability. They share their stories of watching their children grow and learn, and of the special bond that they have developed with their children.

*Different Dads* is a powerful and inspiring book that celebrates the strength and love of fathers who are raising children with disabilities. These stories will resonate with anyone who has ever loved a child with special needs.
