

Mother Life With Daughter Anorexia: A Raw and Unflinching Account of a Family's Journey

Anorexia nervosa is a serious eating disorder that can lead to a myriad of health problems, including malnutrition, heart failure, and death. In *Mother Life With Daughter Anorexia*, author Sarah Vantassell recounts her family's harrowing journey with anorexia, offering a raw and unflinching account of the trials and tribulations they faced along the way. Through her personal narrative, Vantassell sheds light on the devastating impact of anorexia on both the individual and the family, while also providing hope and inspiration for those struggling with this debilitating disorder.

A Mother's Nightmare

Vantassell's story begins with the onset of her daughter's anorexia. At first, she dismissed her daughter's weight loss as a phase, but as the weeks turned into months, she began to realize that something was seriously wrong. Her daughter was becoming increasingly withdrawn and irritable, and her skin was taking on a sickly pallor. Vantassell took her daughter to the doctor, but they were unable to find anything physically wrong. It was only after her daughter collapsed at school that Vantassell finally realized that she was dealing with an eating disorder.

The Long Road to Recovery

Vantassell's daughter was admitted to a treatment center, where she began the long and difficult road to recovery. Vantassell and her husband were there for their daughter every step of the way, but there were many times when they felt like they were losing hope. Their daughter's eating disorder had taken a toll on her both physically and emotionally, and there were times when they feared for her life.

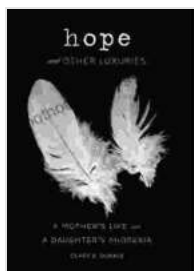

However, Vantassell and her husband never gave up on their daughter. They continued to love and support her, and they were there for her when she finally made the decision to recover. With the help of her family and her treatment team, Vantassell's daughter was able to overcome her anorexia and regain her health.

A Story of Hope and Inspiration

Mother Life With Daughter Anorexia is a powerful and moving story of one family's journey with anorexia. It is a story of heartbreak, hope, and ultimately, triumph.
