

Study of Ndembu Village Life: Classic Reprint Series

By Victor Turner

Schism and Continuity in an African Society: A Study of Ndembu Village Life (Classic Reprint Series) by Victor Turner

★★★★★ 5 out of 5

First published in 1957, Study of Ndembu Village Life is a classic work of social anthropology that offers a detailed and comprehensive account of the social organization, economic life, and religious beliefs and practices of the Ndembu people of Zambia.

Based on two years of fieldwork in the early 1950s, Turner's study provides a rich and nuanced portrait of Ndembu society. He describes the village's physical layout, its social organization, and its economic life. He also provides a detailed account of Ndembu religious beliefs and practices, including their rituals, ceremonies, and myths.

Turner's work is notable for its insights into the relationship between social structure and religious beliefs. He argues that Ndembu religious beliefs and practices are closely tied to their social organization and economic life. He also shows how Ndembu rituals and ceremonies serve to reinforce social cohesion and maintain social Free Download.

Study of Ndembu Village Life is a classic work of social anthropology that has had a profound influence on the field. It is a must-read for anyone interested in African studies, social anthropology, or the study of religion.
