

# The Education Dissertation Guide For Practitioner Scholars: A Comprehensive Roadmap to Success

The Education Dissertation Guide For Practitioner Scholars is a comprehensive guide to writing a dissertation for practitioner scholars in the field of education. This guide will provide you with the knowledge and skills you need to complete a high-quality dissertation that meets the rigorous academic standards of a doctoral program.

## **What is a Dissertation?**

A dissertation is a major research project that is typically required for the completion of a doctoral degree. The purpose of a dissertation is to demonstrate your ability to conduct independent research, analyze data, and draw s about your findings. Dissertations are often based on original research, but they can also be based on a review of existing literature.
