The Sourcebook is divided into three parts:

- Part I provides an overview of the EU competition law system, including its history, institutions, and enforcement mechanisms.
- Part II examines the substantive rules of EU competition law, including the prohibition on cartels, abuse of dominance, and state aid.

- Part III discusses the procedural rules of EU competition law, including the investigation and enforcement powers of the European Commission and the European courts.

The Sourcebook is an essential resource for anyone who needs to understand EU competition law. It is a valuable tool for lawyers, economists, businesspeople, and policymakers.
