The Western Front was the main theatre of operations in World War I, and it was here that some of the most intense and bloody fighting of the war took place. Millions of men fought and died on the Western Front, and the landscape is still scarred by the trenches, shell craters, and other remnants of war.

The Western Front 1914-1916: A Guide to the Battlefields is the essential companion for anyone visiting the battlefields of the Western Front from 1914 to 1916. Written by a team of expert historians, the book provides detailed descriptions of key battles, cemeteries, and memorials, as well as practical advice on planning your trip.

What's inside the book?

The Western Front 1914-1916: A Guide to the Battlefields is divided into four sections:

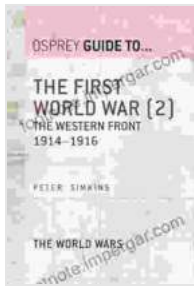

- **An overview of the Western Front:** This section provides a general overview of the Western Front, including the geography, the opposing armies, and the major battles that took place.
- **A guide to the battlefields:** This section provides detailed descriptions of key battlefields from 1914 to 1916, including the Battle of the Marne, the Battle of Verdun, and the Battle of the Somme.
- **A guide to the cemeteries and memorials:** This section provides a guide to the many cemeteries and memorials that have been built on the Western Front, including the Menin Gate Memorial and the Tyne Cot Cemetery.
- **Practical advice for planning your trip:** This section provides practical advice on planning your trip to the Western Front, including tips on accommodation, transportation, and food.

Who is this book for?
